Dated: Shimla the 07th April, 2018

To

All the Tehsildars/ Naib-Tehsildars,
District Shimla, Himachal Pradesh.

Subject:- Instructions regarding "Harvest Inspections and report on drought and its effect on crop".

Sir,

In continuation to this office letter No. SML-LRD-Instructions (Girdawri)/2017-136408 dated 4-8-2017 on the subject cited above. In this context it is again reiterated that the main objective behind the harvest inspection is to collect accurate information about the crops being sown in the respective jurisdiction, change in rights/ rents and possession of land besides amendments in Village map etc. However, specific dates have been prescribed for the purpose for conducting the crop inspections on spot. In the recent past this fact is known to all that there has been weak winter season and as a result of which there is apprehension of drought like situation which may cause less production of the crops etc.. It has now been felt necessary to conduct the ensuing harvest inspection accurately keeping in view all the aspects attracting the aforesaid situations. This important work of harvest inspection if not done accurately may also affect the planning of the state and country in various zones i.e. procurement of grains, storage, supply etc.

On the basis of aforesaid aspects it has been felt necessary to carry out the crop inspection in accordance with the provisions contained in Chapter-9 of H. P. Land Records Manual and direct the revenue field agency working at the grass root to adhere to the instructions in letter and spirit. The harvest inspection may be done on the spot by gathering the accurate data and transmit the true information so that the basic purpose of this important task may not be defeated. This instruction may please be got circulated amongst all concerned for guidance and strict compliance and special report be submitted by 20th May, 2018.

Yours faithfully,

(G. C. Negi) HAS
Addl. District Magistrate (P)
